NEW BRANCH FOR TVH RENTAL EQUIPMENT

TVH Rental Equipment, division of TVH - Group Thermote & Vanhalst and specialized in the rental of lift trucks, telescopic lift trucks, scissor lifts and aerial platforms, opens a new branch in Liège.

With the opening of the branch TVH Rental Equipment takes another step towards the customer. After all, regional proximity means shorter supply times when delivering the equipment. And this automatically results in a better service towards the customer. Furthermore the customer can make an appeal quicker to the 3 TVH rental engineers who are responsible for on-site repairs and/or modifications. The Liège branch can be contacted via the number 04 223 13 66 or via www.tvhrental.com.

The complete range is available from Liège, i.e. 1.250 lift trucks, 750 aerial platforms and 100 telescopic lift trucks. TVH Rental Equipment is situated on the Avenue de l'Indépendance 87-89 in 4020 Wandre (Liège).

In total TVH Rental Equipment now has 5 branches. The remaining 4 are situated in Waregem, Sint-Niklaas, Aalst and Mons respectively.
