THE PROVINCE OF WEST-FLANDERS APPOINTS TVH – GROUP THERMOTE & VANHALST ITS AMBASSADOR!

Yesterday a delegation of TVH – Group Thermote & Vanhalst was a guest at the Provincial Government of West-Flanders. During this official reception the Waregem-based company was presented an award. The Province of West-Flanders confirmed the appointment of TVH as ambassador of the province. TVH was in good company; in total about 20 companies were appointed ambassador, among which Roularta Media Group and Citymesh.

The appointment wasn't obvious of course, but is the result of a thorough screening and evaluation based on a number of specific criteria. The Provincial Government came to the conclusion that TVH – Group Thermote & Vanhalst is a representative company with a strong personality and an exemplary function.

Elements that have contributed to the positive evaluation are:

- . the displayed commitment with reference to different projects and activities,
- . the active functioning with regard to Durable Enterprising,
- . the daily work on innovation in function of a continuous improvement,
- . an excessive quality care and service-mindedness.
